(Front-end)

Performance

A cheetah is shown in mid-stride, running through a field of tall, dry grass. The cheetah's body is angled forward, and its legs are extended. Its coat is a light tan color with dark, irregular spots. The background is a dense, out-of-focus field of grass.

1. Speed

A close-up photograph of a large African elephant's head and front legs. The elephant has large, textured ears and long, curved tusks. It is standing in a field of tall, dry grass under a clear blue sky.

Once-off and monthly recurring data bundles for your prepaid smartphone

This option is ideal if you don't exceed your bundle often and want to take advantage of the lower in-bundle rates. You can also choose the monthly recurring data bundle option which gives you peace of mind by automatically allocating your selected bundle at the beginning of every calendar month. Data bundles are valid for 30 days from the date of purchase.
